Hello !

Sydenham Road Under Fives is a registered charity run by an elected committee. We are a non-profit making organisation and the committee is made up of parents and carers who give their time on a voluntary basis. Committed staff members, employed by the committee, run the Playgroup sessions and aim to provide the best developmental foundation. The playgroup is a stimulating and friendly environment which benefits substantially from parental involvement. You will therefore be required to help out, as a parent volunteer, for 1 session each term.

The group received a 'GOOD' Ofsted Report and has achieved the Bristol Standard.

The Sydenham Road Under Fives Team

Our staff run the playgroup sessions to an excellent standard and have a wonderful working rapport. Each of the team is continually undergoing training to further develop themselves despite being qualified/trained to a high childcare qualified status including BA (Hons), NVQ Level 3 in Play work, NVQ Level 3 in Childcare and Development and NVQ Level 2 Classroom Assistant. SRUF is also very keen to ensure that it continues to run effectively as a community group, and as such has a member of staff who works alongside the children whose first language is not English.

So you'd like your child to be part of SRUF Playgroup

Be assured you've made a good choice. Fill in the form overleaf and hand it in to one of our staff or return to Administrator. There will be a small non-refundable administration charge of £2.50. Due to the very high standard of this community group places are very popular, so it is essential to get your child's name on our registration list, although this **does not** guarantee placement. (Please see our Admissions Policy for more information).
